VILLANOVA UNIVERSITY SCHOOL OF LAW
WALTER LUCAS PUBLIC INTEREST FELLOWSHIP PROGRAM
LOAN REPAYMENT ASSISTANCE PROGRAM
2012 GUIDELINES

Thank you for applying to Villanova University School of Law's Loan Repayment Assistance Program (LRAP). This year, one LRAP recipient will be chosen to receive $12,000 in LRAP funding over the next three years, subject to eligibility requirements and terms and conditions outlined below. Completed applications are due no later than **Wednesday, December 12, 2012**. Although the notification timeline is subject to change, our Selection Committee intends to notify the 2012 LRAP recipient in mid-December 2012.

Eligibility Requirements

To be eligible for LRAP applicants must:

- Have graduated from Villanova University School of Law as a member of one of the three graduating classes preceding the application period. For Fall 2012 applications, applicants must have been a member of the class of 2010, 2011 or 2012.
- Have secured employment, at the time of application, in a public service career. For the purposes of this award, public service careers include those with the local, state, and federal government, those registered as 501(c)(3) tax-exempt organizations and international non-profits, non-governmental organizations and inter-governmental organizations.
- Have accrued more than $30,000 in total student-loan debt (federal or private or both, from both undergraduate and law school). Student loan debt that decreases below $30,000 after receipt of LRAP funds will not affect a recipient's eligibility to continue receiving LRAP funding.
- Be receiving a yearly salary not exceeding $75,000 per year.

Terms and Conditions

Recipients of LRAP benefits must commit to spending the three years following receipt of the award in a public service career. In the event that an LRAP recipient is no longer employed in a public service career, or exceeds the $75,000 salary cap, the recipient must notify the Associate Director of Public Service Careers and Pro Bono Programs within sixty days. Each such circumstance will be considered on an individual basis; however, recipients should expect that such changes to their circumstances will result in their termination of eligibility for receipt of

future disbursements. If you are in doubt about the necessity of reporting a change in circumstances, please contact the Associate Director of Public Service Careers and Pro Bono Programs for advice. Failure to notify the Associate Director of relevant changes may result in termination of LRAP benefits.

Documentation Required from Selected Recipients

On the first of June for each year a recipient receives LRAP funding, the recipient must submit (via fax, email or hard copy) to the Associate Director of Public Service Careers and Pro Bono Programs:

(1) the enclosed Employment Verification Form;

(2) the enclosed Financial Information Form

(3) current loan statements (either a printed bill or a statement obtained electronically) for all loans listed on the application

Selection Criteria

In preparing your application, please know that the Selection Committee will consider first and foremost, the graduate's commitment to public interest, including previous experience in and commitment to long-term work in public interest law. In the event of equally qualified candidates, the Committee may consider additional pertinent factors, including financial need.

Application Process

After the close of the application period, all applications will be reviewed and finalists will be selected. Finalists will be required to attend an interview with the selection committee, in person or via teleconference, as necessary. The selected recipient will then be notified.
